

Pruyn Veterinary Hospital

Pruyn Veterinary Hospital has proudly served the Missoula area and surrounding countryside since 1949. The hospital is active in large and small animal medicine and surgery, ambulatory, and emergency services. We currently operate as a 7 doctor small animal and exotics hospital with a focus on daytime and evening emergency services. We also occasionally see wildlife and zoo animals from Animal Wonders, a local non-profit zoo animal rescue and community education center.

ABOUT THE MISSOULA AREA

Nestled in the Missoula Valley at the confluence of 3 rivers, this mecca for outdoor enthusiasts provides the perfect setting to enjoy river rafting, tubing, fly-fishing, hunting, camping, hiking and backpacking. Made famous in the iconic novella by Norman Maclean, *A River Runs Through It*, the town is also known for its vibrant art and music scene, as well as abundant breweries, distilleries and restaurants.

...to improve the comfort and well-being of pets by providing progressive and compassionate veterinary care. We develop a team of individual sites that share knowledge to achieve sustainable growth.
